

“Technological Advancements for Sustainability”

Mrs. Aruni Wijewardane
Secretary Foreign Affairs
Ministry of Foreign Affairs
Republic Building,
Sir Baron Jayathilake Mawatha,
Colombo 01

16th July 2022

Dear Madam,

Request to Facilitate the Circulation of Brochure of IRC2022 of the SLTC Research University

Greetings from the organizing committee of the International Research Conference of the SLTC Research University – IRC2022 of the SLTC!

We are pleased to inform you that the SLTC Research University is organizing its annual research conference, IRC2022 to be held on **29th and 30th September 2022 at the SLTC Padukka Premises on Hybrid Mode** under the main theme **“Technological Advancements for Sustainability”**. IRC2022 invites the submission of extended abstracts by undergraduates, graduates, postgraduates, support staff, and academics from local and foreign universities, research organizations, and elsewhere in the following research areas.

1. Biomedical Engineering
2. Civil Engineering & Built Environment
3. Electrical, Electronics, Mechanical & Systems Engineering
4. Information and Communication Technology
5. Machine Learning, Artificial Intelligence & Robotics
6. Mathematics and Statistics
7. Social Sciences, Humanities, Culture & Education
8. Economics and Business Management
9. Sustainable Agriculture, Environment, and Food Security

Authors are invited to submit their extended abstracts through the EasyChair platform via <https://easychair.org/conferences/?conf=irc20222>. The IRC2022 will host pre-event workshops, exhibitions, seminars, and conferences on specific themes. More details can be obtained from <https://irc2022.sltc.ac.lk/>.

We would very much appreciate it if you could please facilitate the circulation of this information to Sri Lankan Embassies and Consulates to enable sending this information to universities and research institutes/centers to submit their research findings at the IRC2022. Herewith we enclosed the IRC2022 flyer.

Thank you.

Yours faithfully,

Renuka Ariyawansa, PhD
General Chair, IRC2022 of the SLTC Research University

IRC2022 Secretariat, SLTC Research University, Ingiriya Road, Padukka, Sri Lanka.
